Children & Families Together Board governance and reporting relationships:

The Children, Young People & Families Plan 2015-2025 has three overarching strategic priority areas: Education, Learning and Opportunity; Family Strength and Resilience; Health and Wellbeing. Meetings are used to spotlight attention on each priority area. Additional stakeholders may therefore be invited to attend specific meetings at the discretion of the Board.

The Board is committed to reviewing its performance annually and based on this agreeing a set of priorities for the forthcoming year. The Board will publish an annual report and hold a bi-annual conference/ stakeholder event.

The Strengthening Families Board, Headstart Partnership Board, SEND & Commissioning Partnership Board and CYP Emotional Health & Wellbeing Board inform the work of the Children & Families Together Board.

In addition to the above, the Children & Families Together Board recognises that it can't achieve its expected outcomes by working in silo and is therefore actively committed to a system leadership approach working collaboratively and with other city boards and strategic forums; and taking account of other partnership strategies. It does not seek to duplicate activity or reporting mechanisms, but seeks to promote information flow and collaboration, recognising that different boards, forums and partnerships will have a lead responsibly for shared strategic priorities.
