

Co-Production Charter for Children, Young People and Families

This charter is a set of principles and promises of working together with young people and families to ensure they remain at the heart of decision making.

We believe that young people and their families are best placed to shape the services and support they receive.

We commit to delivering this promise using the following principles:

Trust

There will be no conversations about you without you
We decide priorities together
Together we will find the best solution

Shared understanding

We all agree about what we want to achieve
We agree on what 'good' looks like
We will be mindful of everyone's commitments

Equal partnership

Everyone can take part. Whatever their needs or abilities
We can learn a lot from each other
We are all in this together!

Creative thinking

We will plan creatively and do things differently
We will work in a way that's best for you
Finding the right solution may take longer but that's ok

Communication

Everyone will be kept informed and updated
We will be clear about what we can and can't do
Information will be accessible for everyone
